

16 June 2010

Dear Year 5 Parents

Marle Hall Residential Visit for Year 6 children 18.10.2010 - 22.10.2010

Thank you for all the deposits received to date, you have all been very good paying monies every so often, it all helps to ensure the children's trips are paid for in advance and lessens the burden for everyone.

This is just a further reminder that the weeks are slipping by of the Summer term and we will need full payment early in the Autumn term to send to Marle Hall.

Thank you once again for your support and we look forward to both an enjoyable and successful visit in October.

Further information about the event will follow in the Autumn term.

Yours sincerely

E Stanley
Headteacher
