### Road Safety Show

On 18 May the whole school attend The Big National Road Safety Education Show given by the top children's entertainer, Richard Rozel who devised an exciting show to raise awareness of important road safety issues. All the children thoroughly enjoyed the show, and it was most informative in a fun way. We hope the children will remember and use the information to stay safe during the long Summer break.

The School Photographer came to school to take group photographs, together with a Year 6 Leaver photograph on 11 June. The orders for photographs have now been sent off and will be with us prior to the end of term. If any parent has forgotten, please let the school office know and we will pass the orders on to the photographer.

### Marle Hall 2010

I am delighted that the children are all very enthusiastic about attending the residential week to Marle Hall on 19.10.09 - 23.10.09. I am sure We will all have great fun and enjoy the experience.

### Live and Dangerous

The year 5/6 trip on 4 June to Heritage Motor Centre, Gaydon was a general trip about road safety.

There were 6 marquees with different shows in them:

1. Consequences - a play showing what can happen if you get hit by a car.
2. Evacuation - exiting a coach or bus safely and quickly.
3. Distractions when driving - not to distract a car driver or you might crash.
4. Walking to school - the seriousness of being careful when you are walking to school.
5. Articulated lorries - what can happen if you cycle into the side of a lorry.
6. Cycling safely - how to cycle safely and a BMX rider showed us a safe way of riding.

I think we all benefitted from it and we all enjoyed the trip as well!

### Sponsored Walk

On 16 June we held a sponsored walk in aid of our annual school trip to Twycross Zoo. We received a fantastic response, despite the rather warm weather. As a result, the children raised enough money to cover the cost of this visit and I have found some additional funds to allow all classes to have a special talk from the Zoo team. This information will link to their science topic for the forthcoming Autumn term.

A massive *THANK YOU* for all your support!

E Stanley

TWYXCROSS ZOO

The whole school will be going to the zoo on 7 July - we all look forward to a very enjoyable day!

## INDUCTION DAY

We held an Induction Day for the children who will be joining our school in September. It was lovely to welcome so many smiley faces from children and parents and we look forward to their arrival in the Autumn term.

### Poetry Competition

Years 2/3 took part in the Young Writer's 'My First Acrostic' poetry competition and have been selected for their poems to be published in 'My First Acrostic - West Midlands Inspirations'. The school would like to congratulate the 25 children for their terrific achievement.

Well done!

### Crazy Creatures Art Competition - Congratulations!

Mr. Hennelly entered the Art Club children in an art competition to design and draw a crazy creature, and 6 children have been chosen to have their work published in a Children's Art Book later in the year.

### 'Please Share My Work' Day

- an invitation to follow for all parents to come into school and share their child's/children's work (in books and on display) and for children to share an aspect of the way we do 'maths'.

## PUNCH AND JUDY DAY

As you are aware we are planning a Victorian Seaside Holiday Day on Friday 3 July. The children are encouraged to wear clothes that Victorian children would have worn and the morning will be full of seaside games and activities.

All the family are more than welcome to join us, if they are able, for a traditional Seaside lunch.

The grand finale will be a Punch and Judy Show for the children (only).

We all look forward to a most enjoyable day!

E Stanley

### Year 6 Leavers Assembly

We say a sad farewell to Year 6 at our assembly on Tuesday 14 July - all parents are most welcome, if they are able, to attend assembly on this date.

### Final Achievement Assembly

As I will be in hospital most of the last day of the Summer term - Achievement Assembly will take place on Wednesday 15 July at 9.10 a.m. - all are welcome - please join us

### COMEDY OF

### ERRORS

Year 5/6 are going to see a young people's production on 2 July at the RSC Stratford upon Avon - we wish them a memorable day.

A big *THANK YOU* to John Haggitt our LA Inspector, who made this possible.
