### Family Lunch

This term's family lunch will be on Friday 3 April. Please come and join us to enjoy fish and chips or cottage pie followed by cornflake tart and custard or fresh fruit wedges - all for £2.20. Please give your name and money to the kitchen as soon as possible.

### Sats Info Evenings

Working with parents to make sure they are involved in their child/ren's learning is really important to us and we will be holding meetings for parents of children in Yrs. 2 & 6 to share up to date info of the SAT's system.

### Marle Hall 2010

We will be sending out a letter this week for our 2010 residential visit. We are very conscious of the cost that many people are losing jobs. If you would like your child to go and need help with finance, please come in and talk to me.

### Breakfast First

Would you like your child to have breakfast in school?

We are looking to trial a 'Breakfast club' during the Summer term. Children will be able to buy and eat breakfast in the Dining Room from 8.15 before going onto the playground. They will be able to choose from a basic menu and be supervised whilst eating -

Cost of attending the session will be £1.50 plus the cost of breakfast.

We will need at least 20 children everyday to make this venture work.

If your child is entitled to free school meals, please speak directly to Mrs. Stanley.

Interested: complete and return the slip below to school.

## Thank you!

Thank you all for your help and support this term seeing so many of you in school sharing events with us makes a huge difference to what the children achieve.

Your children are a real credit to you and their behaviour and positive attitude to learning is helping us all to raise standards.

I hope the positive behaviours, manner of speaking and tone of voice will be copied by the few parents who still come in shouting and speaking very aggressively to our staff in front of children. This is not acceptable and we will be completing - report forms and sending these to the Authority in a bid to stop this unacceptable behaviour.
