

Welcome back to the summer term

We hope you all had an enjoyable Easter holiday and welcome everyone back to school.

Around school

We have been working hard at school to improve the environment and thank all the staff, parents children and friends for their help with the gardens. Our next project is to complete the development of the 'wild area'. The plans are on the display board - do take time to come in and look at them. If you know anyone who could help us get hold of any of the following

- Fence posts
- Fence boards
- Pebbles
- Garden plants

The refurbishment of the Key Stage 2 toilets is almost complete. Excitement is mounting as all the boys are looking forward to seeing their plans come to life. Well done boys - your colour choices look fantastic.

Attendance

Thank you for working with us last term - there was a positive improvement in attendance. Presenting certificates at the end of term is always complicated as the data is not complete in the system. We have a complete list of 100% attendance and will be presenting the 'missing certificates in achievement assembly on Friday May 8th.

Music

Mr Saeed continues to motivate our steel panners every Tuesday. We are looking to see if we can offer a steel pan club afterschool for both children and parents - watch this space for further details.

Year 4 enjoyed their opportunity to play the violin last term - this term they will be exploring percussion. I'm looking forward to see them share the outcomes in their next class assembly.

School Association

The school association are working really hard to raise money for the school and provide a range of events for both parents and children. Please contact Lucy Sweet, Aidey or Marie Coupland to offer support and help. All parents are automatically members and we really would like to see everyone working together for the good of the children and the school.

Healthy Schools

Great news - we have just heard we have been awarded Healthy School Status. Thanks to everyone involved especially Miss Greet and the school council for working so hard to collect all the evidence together. Please continue with the good work you all do in supporting the school snack system and in providing well balanced and healthy packed lunches.

School Meals

Family lunches - thank you to all the families who joined us for family lunch at the end of term. Our meals are healthy, tasty and freshly cooked in our kitchen. All meals meet government targets for minimum vitamin and mineral content and maximum fat, sugar and salt content. If you are a parent or carer receiving benefits, your child may be entitled to free school meals. Please contact school if you think this may apply.

If you wish to find out more about county caterers and school meals contact county caterers @warwickshire.gov.uk

We will be arranging another Family lunch soon .

Breakfast Club

A very low response to our letter has made us reconsider this provision. We do have to have enough children attending and paying for the service to make it viable.

Year 6 SATs

Week beginning Monday 11th May

It is important that all Year 6 children are fit, well and in school.

They will all be given their test timetable on Friday May 8th.

Please could you encourage them to have a week of early nights and to have breakfast before they come to school.

On Wednesday May 6th we welcome Michael Merchant and Carol Parkinson (OFSTED Inspectors) to our school. All children should have brought a questionnaire home on Friday - Please do complete and return it to school. If you would like to speak to either of the inspectors please come into school - Mr Merchant will be around at the beginning and end of the day.

After school clubs

Mon	3. 20-4.30	Marle Hall club	Mrs Stanley
	3.20 - 4.15	Singing club	Mrs Roberts
