

School Uniform 2010

5 July 2010

Dear Parent/Carer,

As of next year, the ordering of school uniform will be changing. The current process is that you can come in and place an order for your uniform when you like and it is then handed to your child on the Friday afternoon.

From September, the school uniform will be dealt with on a half-termly basis. Your order and payment for new school uniform will need to be handed in to the front office two weeks before the end of each half term. This is so that we have enough time to process your order and your child will get their new uniform the first week back after half term. Reminders will go out to inform you of the last possible date that you will be able to order uniform for that half term.

If you would like new school uniform for September, then you will need to place an order, with the payment, before the end of term. This will ensure that your child has their new uniform for the end of September. You will find an order form on the back of this letter that you may use to place your order.

Thank you for your support and I know that you will be patient with us while we iron out any problems that may come along.

Yours sincerely

E Stanley
Headteacher
